Choose the price tier you can best afford. We understand that different families have differing abilities to pay, so we have implemented three pricing levels to better accommodate all financial needs. Please consider selecting the highest tier you can afford to allow Timbertop Camp to best stretch our funding and continue to improve the quality of each camper's experience.

Price C is our historically subsidized rate, which does not represent the true cost of camp, but has been our standard rate.

Price B is a partially subsidized rate, but more clearly reflects the actual cost of camp.

Price A most accurately reflects the actual cost of Timbertop Camp.

Our Tier Pricing Program in no way influences the experience your child(ren) will receive! We simply feel it is important to share with parents the true costs of Camp and give families the opportunity to decide how much they can contribute toward their child's camp experience. Financial assistance is provided through donations to Timbertop Camp, Inc. and other generous clubs and organizations.

What is Timbertop?

Timbertop Camp is a overnight camp designed for boys and girls, ages 8-14, who have been identified by their school districts as needing extra help for a special learning need. Specific identification categories may include: SLD, LD, ADD, ADHD, OHI, and Title 1.

Timbertop combines traditional camp activities with extra reading practice and special group activities that focus on dealing with learning differences in a structured daily setting. Emphasis is placed on peer relations, building self-confidence, learning new skills to share at home and of course, having fun; all in a non-competitive outdoor setting.

Our History

This year we will be celebrating the 60th anniversary of Timbertop! Timbertop was founded in 1967 by Rhoda "Wings" Brooks to provide a specialized camping experience for children with learning disabilities. Wings was a 30+ year Special Education Teacher in MN. Camp Timbertop, Inc. is a registered 501(c)3 Tax Exempt organization operated by a Volunteer Board of Directors.

Camp Location

Camp is being held at YMCA Camp Glacier Hollow, 14 miles east of Stevens Point in Amherst

Jct. WI on beautiful Lake Elaine. Y Camp Glacier Hollow is operated by the Stevens Point Area YMCA dedicated to Youth Development, Healthy Living and Social Responsibility.

Campers are supervised by Timbertop Camp volunteers with facilities and programming provided by the Y Camp Staff.

Camp Details

Timbertop is a 6 day outdoor adventure where campers will learn outdoor skills and participate in activities designed to enhance their cooperative abilities and interpersonal relationships. An emphasis is placed on building self-esteem and how to make and keep friends. Whether building a campfire, cleaning the cabin or learning how to handle a canoe, each camper learns to share the responsibility of camp life. Daily activities include: camp classes (such as nature exploration, canoeing & kayaking, arts & crafts, archery, fishing and camp games), teambuilding, reading instruction, swimming, cabin activities, evening campfires, stargazing and all-camp programs.
